Portale SIVA

Il Portale Italiano di informazione, guida e orientamento sugli ausili tecnici per l'autonomia, la qualità di vita e la partecipazione delle persone con disabilità. Una panoramica completa, sistematica, aggiornata delle tecnologie assistive disponibili in Italia e in Europa. Un portale al servizio di chiunque - utente, operatore, ricercatore - desideri approfondire il mondo degli ausili.

In primo piano

E' online la nuova versione del Portale SIVA: nuova tecnologia e rinnovata veste grafica rendono ora la navigazione più intuitiva, funzionale e accessibile

Mercoledì 6 novembre il prossimo Seminario on-line di aggiornamento sugli ausili
