La sport terapia...

... lo sport amatoriale/agonistico

La sport terapia...

... *pratica di attività sportive a
livello riabilitativo...*

...la sport terapia...

Quando:

*All'interno del protocollo
riabilitativo in tutti i casi in cui si
vogliono/possono "affiancare" al
trattamento fisioterapico attività
sportive*

...la sport terapia...

Dove:

*All'interno dei Centri di Riabilitazione
per persone con lesione midollare:
"Unità Spinali"*

...la sport terapia

Perché:

*L'attività sportiva facilita/favorisce lo
sviluppo e il mantenimento di varie
funzioni che altrimenti rischierebbero
di essere compromesse o deficitarie
a causa della lesione subita.*
